

Medizintechnik

Made in Bietigheim-Bissingen

Dürr Dental Global GmbH is a full sales subsidiary of the German Dürr Dental SE. As technology leader in its field of business, the Dürr Dental group with its about 1.300 employees develops, produces and sells system solutions and services for the health sector with an annual business turnover of more than € 360 million with customers in 174 countries in 2022 all over the world.

Hygiene and prophylaxis sales specialist / Product specialist (m/f/d) Denmark

Your tasks:

- demonstration and Marketing of our dental products to customers at customer visits, trade shows and related events
- consulting and training of customers on the application of our products in dental clinics and hold lectures in dental conferences and schools
- training and support of our dental distributors. Your main focus will be on our disinfection, hygienic and prophylaxis products. You will represent also other products of the company
- support of dealers at exhibitions and open house days (table shows) in Denmark (in addition: support of other countries in Scandinavia if necessary)

Your qualifications:

- education in the field of dental/healthcare, for example as a dental hygienist or a dental assistant
- experience in sales/marketing of disinfection/prophylaxis or dental products
- experience in processes and quality management in a dental clinic
- you are familiar with the basic IT tools such as MS-Office
- you are an outgoing person and enjoy contacting new people
- excellent communication and organisation skills and the ability to speak in front of a larger audience
- fluent communication skills in Danish and English as well as a good understanding of the Swedish language
- you are located in the greater Copenhagen area and will work from home office; own vehicle is advantageous
- you bring willingness to travel throughout Denmark as well as in Sweden & Norway

We offer you versatile and interesting job with quality and well known products in a successful company and comprehensive training at our German headquarters near Stuttgart, Germany.
